CARD OF THANKS.

I cannot do less than publicly thank Captain Lowery and the members of the Fire Department on duty around my premises this morning for their heroic, persistent, and well-aimed exertions at the fire that destroyed my neighbor's store. The walls of my house are independent, and the danger, therefore, was not immented but the men seemed none the less anxious that my hotel should remain intact. Indeed, so assuring were their exertions that guests and their bagrage were seen entering the hotel when the excitement seemed at its height.

seen entering the hotel when the except the this city, and its height.

The Fire Department is a great credit to this city, and the grumblers at high taxes ought not to grudge the amount given to the protectors of the city's property.
